

Project of Excellence

State Plan Objective #6.3

Lisa Hooks | North Bay Regional Office

Desired and Achieved Outcome(s) of Activity:

- A comprehensive service directory of local, state and national resources, community calendar, learning center, nationwide news stories and health library.
- The website aims to empower people with disabilities by providing them a streamlined platform to find resources in an easy-to-read format.
- SolanoCares.org is ADA compliant and available in multiple languages
- A resource website that compiles services and information for those with disabilities in Solano County
- A resource for individuals with disabilities, their families, service providers, and healthcare professionals looking for information about local services, health topics, and events
- Reducing barriers to finding local resources
- Helping to make our lives easier by putting all these resources into one place

Number of people and/or organizations reached:

- 150+ event attendees
 - 29 agencies
- Supervisor Thompson
 - District Rep for Assemblymember Jim Frazier

Collaborative Partners and/or Leveraged Funds:

Project of Excellence

What impact did this project end up having
on your region?

- A one-stop resource
- A comprehensive directory of services that enable consumers to quickly locate local programs and resources and make informed choices about what they need

Thank you!
